

Central Indiana Chapter Law Enforcement Officer of the Year

The Law Enforcement Officer of the year award is presented annually by the Central Indiana Chapter of the ACFE to a law enforcement officer within the chapter's community who has shown exceptional accomplishments in the area of law enforcement as it relates to the investigation of fraud, arrest of fraudsters or their prosecution. Nominees for this award are assessed based on their contributions to the community through the enforcement of laws pertaining to fraud.

An awardee would need to demonstrate outstanding achievements in various areas. These achievements might include:

1. Contributions to law enforcement: The awardee may have shown a dedication to investigating criminal incidents of fraud, leading complex fraud investigations, executing the arrest of suspects in fraud cases, or leading fraud investigations units at the local, state and Federal levels.
2. Contributions to educate ACFE members: The awardee may have provided training directly to CFEs through the Global Fraud Conference, Central Indiana Chapter training events, or other national or regional training events focused on educating CFEs to become better in their professions.

The evaluation process for the Law Enforcement Officer of the Year award would involve a careful assessment of each nominee's achievement in these areas. The Central Indiana chapter's awards committee would review the nominee's application, supporting documentation, and possibly conduct interviews or seek recommendations from peers and colleagues.

The goal of the Central Indiana Chapter Law Enforcement Officer of the Year award is to recognize an individual who has made exceptional contributions to fighting fraud through the diligent investigation and prosecution of fraud.
